Meet Our
Keynote Speaker and Music Leader:

David LaMotte

David LaMotte is an award-winning songwriter, speaker and writer. His music has been honored with numerous awards and artist grants, and has been featured on dozens of artist compilations. His song *Dark and Deep* was included on *Songs Inspired By Literature, Chapter One*, a benefit CD to raise money for adult literacy.

In 2004, David and his wife Deanna founded PEG Partners, a non-profit organization that supports literacy, critical thought, and artistic expression in Guatemala. As a result of his work with schools in Guatemala, he was named a "Madison World Changer" by his undergraduate alma mater, James Madison University. He recently completed his final year on the AFSC Nobel Peace Prize Nominating Task Group.

David has published three books, including two illustrated children's books. The first based on his award-winning children's song *SS Bathtub* and the second, *White Flour*, tells the true story of a creative and whimsical response to a Ku Klux Klan march in Knoxville, Tennessee by a group called the Coup Clutz Clowns. His most recent book, *Worldchanging 101: Challenging the Myth of Powerlessness*, is being used as a textbook in several colleges and universities.

David makes his home in Black Mountain, North Carolina, with his wife Deanna and son Mason.
