

MISSION STATEMENT

Beaver-Butler Presbytery is a covenant community of churches that supports, nurtures, and helps grow disciples in the way of Christ.

A COVENANT COMMUNITY OF CHURCHES

- Covenants are trust-based promises that rely on the integrity of mutual accountability.
- We believe God calls all people of faith into a covenantal life together.
- We seek to reframe the term “presbytery” from an office or institution into a collaborative partnership.
- The Presbytery is the community of congregations that willingly join with each other in our purpose together.

THAT SUPPORTS, NURTURES, AND HELPS GROW DISCIPLES IN THE WAY OF CHRIST

- Our work is directed toward discipleship, the fruit of God’s mission to transform our lives and communities.
- Our connections support, nurture, and help grow disciples as we work alongside the Lord who is already doing this transformative work.
- The earliest church was called The Way. Likewise, our direction in all things is Christ.
