

Please make the following 2 corrections to the packet for the Presbytery Meeting:

There is an error in the directions. It says "from 376 north OR south". This is incorrect. It's right for southbound, but not north. If coming from the south (northbound traffic), turn LEFT at the bottom of the ramp.

The rest of the sentence on "The prayer room" (last paragraph in directions) is supposed to read "through the door at the ...back of the sanctuary..., on the congregations' right all the way in the back.
