

2020 Per Capita Assessment

INFORMATION:

The 2020 Per Capita amounts are: Beaver Butler Presbytery - \$29.44; Synod of the Trinity - \$2.40; and General Assembly - \$8.95, totaling \$40.79

To be fair to all the churches of our presbytery and to meet our covenantal obligation to all governing councils, we encourage each congregation to pay its full per capita assessment.

The total Per Capita Assessment of Presbyterian Church is \$ 40.79. This amount is based on the following calculation: (2018 Membership) x \$40.79

Beaver Butler Presbytery	(2018 Membership) X \$29.44 = \$ 29.44
Synod of the Trinity	(2018 Membership) X \$2.40 = \$ 2.40
General Assembly	(2018 Membership) X \$8.95 = \$ 8.95
Total Per Capita payment = \$ 40.79	

At the November 19th meeting of the presbytery, the following motion was passed:

“For all churches paying full 2020 Beaver-Butler Presbytery Per Capita, the Beaver-Butler Presbytery will match, at the Church’s request, dollar for dollar up to the Church’s assessed Synod and General Assembly Per Capita, paid from Beaver-Butler Presbytery reserves. Beaver-Butler Presbytery will comply up to the full Presbytery Per Capita assessment of those higher governing bodies”

If your Session has voted to ask the Beaver Butler Presbytery to match the per capita funds you remit, please indicate with the signature of your Clerk of Session on the enclosed form. The signature is only necessary once, as we will note your preference for all future 2020 Per Capita payments.
